PUB FEATURES

The Black Dog benefits from a main street location in Oswaldtwistle, a small community town in the Hyndburn borough of Lancashire.

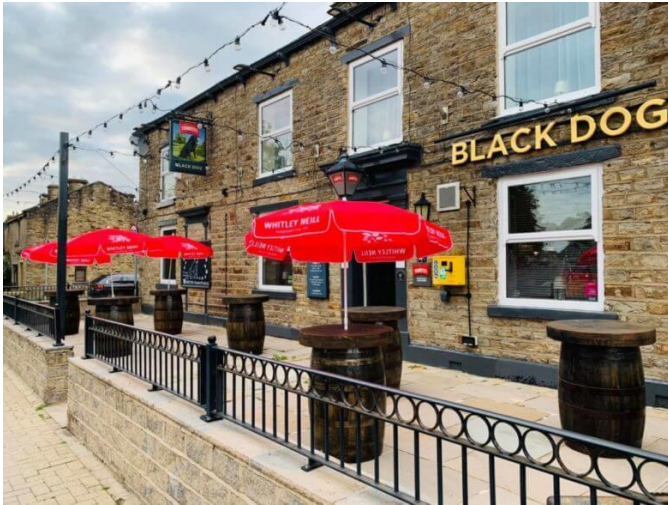

The pub underwent an investment in 2018 when it was redecorated throughout and it remains in excellent condition. A large central bar has seating to the front and a comfortable lounge area with open fire to the right. To the left of the bar there is a smart games / pool room. Behind the bar there is a small catering kitchen which could produce a small food offer.

There is outside seating to the front of the pub popular in the warmer weather and the space has been used for events and seasonal events. The car park at the rear of the pub is currently being used as additional outside seating space, there is also a bike rack for customers to secure their bikes.

PUB KEY INFORMATION

Trading Style

Trade is mainly from the local area. The pub has hosted many events to involve the local community. Quiz nights and 'play your cards right' have been very popular. The pub is well set out for all types of entertainment. Dating nights and art and craft sessions have included different types of customers. Live music has also proved to attract customers from a wider demographic. This business requires events and activity to make it stand out from the local competition.

Energy Performance

Energy Performance Certificates (EPCs) are needed whenever a property is built, sold or rented. An EPC gives a property an energy efficiency rating from A (most efficient) to G (least efficient) and is valid for 10 years.

For more information regarding the energy performance of this property please contact us using the details below.
