PUB KEY INFORMATION

Trading Style

The business offered a smokehouse grill menu which proved to be very successful. A quiz was held every Wednesday and live entertainment has been offered in the past.

For the Griffin we are looking to partner with an experienced food operator who can run and manage a busy kitchen.

Thwaites will refresh and premiumise the exterior of the building, remove the old brick built shed and replace with large beer garden. A log burner will also be installed.

Energy Performance

Energy Performance Certificates (EPCs) are needed whenever a property is built, sold or rented. An EPC gives a property an energy efficiency rating from A (most efficient) to G (least efficient) and is valid for 10 years.

For more information regarding the energy performance of this property please contact us using the details below.
