PUB KEY INFORMATION

Trading Style

Trade at the Inn on the Green mainly centres around entertainment and live music. The pub is located at the edge of the green where local people gather and families enjoy the play facilities so is an ideal stopping point for drinks and food. There is currently a tapas style food offer which is very popular. The interior of the pub is open plan, two areas with a central bar ideal for drinking and dining space.

Energy Performance

Energy Performance Certificates (EPCs) are needed whenever a property is built, sold or rented. An EPC gives a property an energy efficiency rating from A (most efficient) to G (least efficient) and is valid for 10 years.

For more information regarding the energy performance of this property please contact us using the details below.
